

12x12 Template #2 by Jess Crafts from jesscrafts.com

This PDF contains a template for cutting two pieces of 12x 12 paper to combine with a set of 12 3x4 cut aparts or journaling cards to make 12 cards with no patterned paper scraps and 2 card sketches showing you how to assemble these pieces. To follow the sketches you will also need to use some cardstock. If using a full sheet of 8.5x11 cardstock you will likely have scraps you can use for other projects or to die cut a sentiment. Please visit jesscrafts.com/resources for more information. Thank you for visiting and please share!
