

12x12 Slimline Paper Buster #1 by Jess Crafts from jesscrafts.com

This PDF contains a template for cutting a 12x12 piece of paper to four slimline cards (8.5" x 3.5") with no paper scraps and a card sketch showing you how to assemble these pieces. You will also need to use some cardstock and if using a full sheet of 8.5x11 cardstock you will likely have scraps. Please visit jesscrafts.com/resources for more information. Thank you for visiting and please share!
