

6x6 Slimline Template #9 by Jess Crafts from jesscrafts.com

In this PDF is a template for cutting a 6x6 piece of paper to make two slimline cards (3.5" x 8.5") with no scraps and a card sketch showing you how to assemble these pieces. To follow the sketch you will also need some cardstock. If using a full sheet of 8.5x11 cardstock you will likely have scraps you can use for other projects or to die cut a sentiment.
