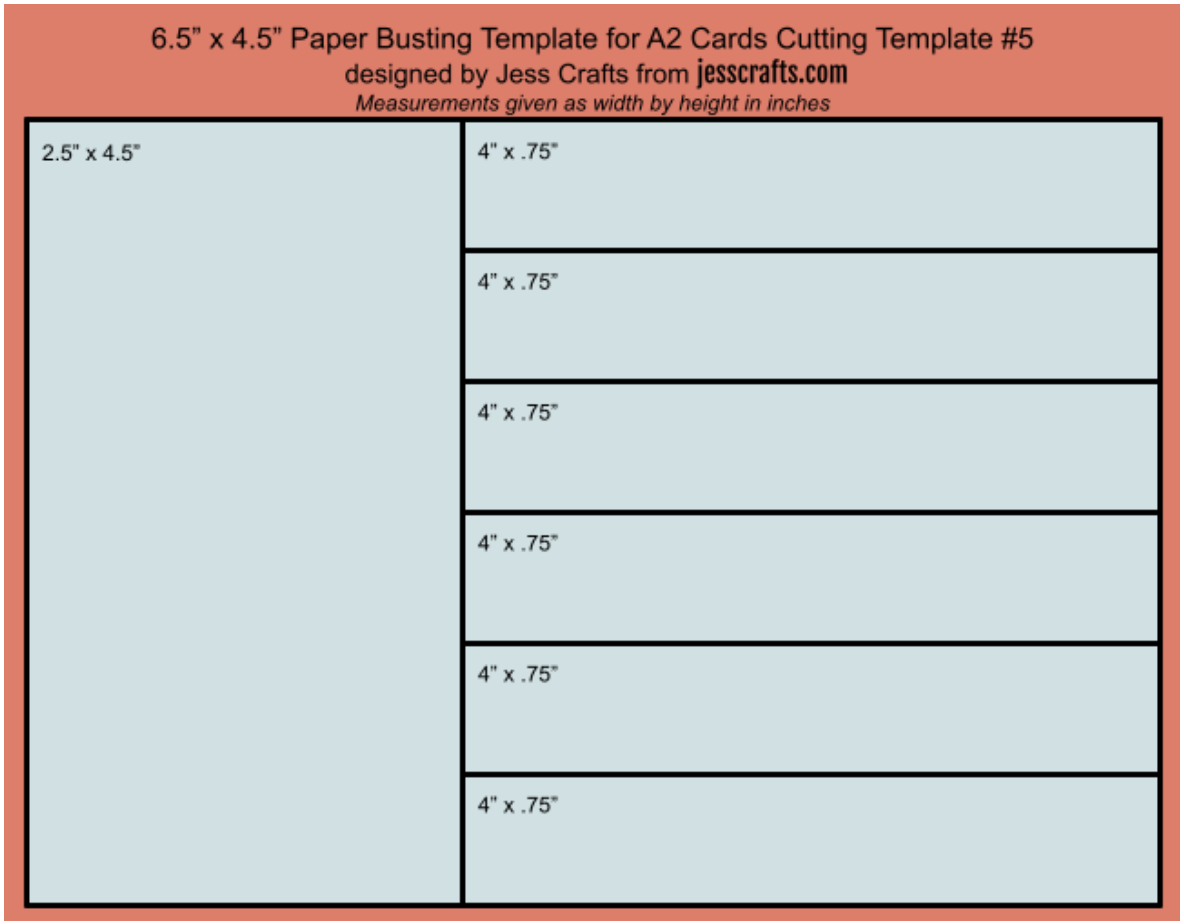
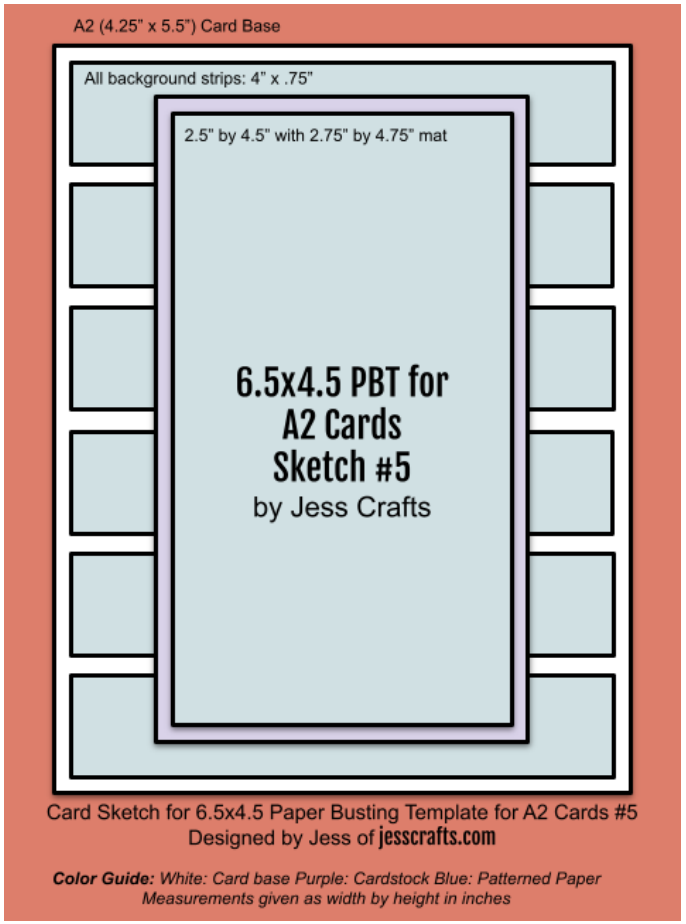
6.5x4.5 Paper Busting Template for A2 Cards #5 from jesscrafts.com

In this easy to print PDF, you will find a template for cutting a 6.5"x4.5" piece of paper to make one A2 card (4.25" x 5.5") with no scraps and a card sketch showing you how to assemble these pieces. To follow the sketch you will also need to use some cardstock. If using a full sheet of 8.5x11 cardstock you will likely have scraps you can use for other projects or to die cut a sentiment. Please visit *jesscrafts.com/resources* for more information. Thank you for visiting and please share!





If you share on Instagram please tag me @jess.crafts and use the hashtag #paperbuster so I can see your creations. Thank you!
