

Slimline 6x8 Paper Busting Template #2 by Jess Crafts from jesscrafts.com

This PDF contains a template for cutting 6x8 paper to make two slimline cards with no scraps and a card sketch showing how to assemble these pieces. To follow the sketch you will also need to use some cardstock.

If using a full sheet of 8.5x11 cardstock you will have scraps you can use for other projects or to die cut a sentiment. Please visit jesscrafts.com/resources for more information. Thank you for visiting and please share!
