

6x6 Specialty Cut Apart Template #1 by Jess Crafts from jesscrafts.com

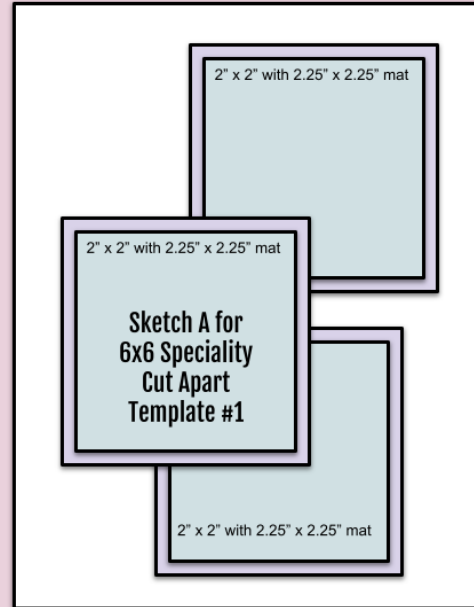

In this PDF, there are two templates for 6x6 paper. One is for a specific set of cut aparts found in Carta Bella and Echo Park 6x6 paper pads. The other template shows how to cut a second piece of coordinating paper. Then there are two sketches showing you how to use these papers. There will be no patterned paper scraps, but the sketches call for cardstock and you will likely have scraps. Please visit jesscrafts.com/resources for more information.
