

6x6 Paper Busting Template #17 by Jess Crafts from jesscrafts.com

This is a template for cutting a 6x6 piece of paper to make four cards with no patterned paper scraps and two card sketches showing you how to assemble the pieces. To follow the sketch you will also need to use some cardstock. If using a full sheet of cardstock you will likely have scraps you can use for other projects or to die cut . Please visit jesscrafts.com/resources for more information. Thank you for visiting and please share!
