

Cutting Template and Sketches #16 and #17 by Jess Crafts from jesscrafts.com

In this easy to print PDF, you will find a template for cutting a 6x6 piece of paper to make multiple cards with no scraps and two card sketches showing you how to assemble these pieces. To follow the sketch you will also need to use some cardstock. If using a full sheet of 8.5x11 cardstock you will likely have scraps you can use for other projects or to die cut a sentiment.
